Form No. 10-SAM Prescribed by the Secretary of State (06/2026)

Source Agency Mismatch Verification Form

R.C. 3503.151(E)

This form must be submitted to the Secretary of State's office after the board of elections has verified that a voter's registration information is flagged as a BMV/SSA mismatch due to an issue with the source data that must be resolved by the source agency. This form removes the continuous mismatch flag that would result from the elector's source data error.
