

Ballot Tracking for Military and Overseas Voters – Notification of PIN

R.C. 3511.021

Thank you for requesting an absent voter's ballot. You may track the status of your absent voter's ballot by viewing the absent voter's ballot tracking website at:

https://usoav.ohiosos.gov/UOCAVA_vr_Login.aspx. To view the status of your absent voter's ballot you will need to enter your last name and your unique assigned personal identification number (PIN).

Your unique PIN is:

The ballot tracking site allows you to track several items related to your absent voter's ballot, including the date your voted absent voter's ballot was received by your county board of elections, and if your voted ballot was counted. If your county board of elections detects any error(s) on your absent voter's identification ballot envelope statement, the ballot tracking site screen lists the detected error(s) and provides instructions on how you may correct the error(s).
