

Attention Ohio Voter

Every eligible Ohio voter can cast one vote. A voter who requested an absentee ballot and appears in person to vote at the polling location on Election Day may cast a provisional ballot.

If you received the application shown, or any other absentee ballot application and completed and submitted it to your board of elections, you are not eligible to cast a regular ballot at the polls today. However, you may cast a provisional ballot.

Your provisional ballot will be counted after the 10th day following the election pending the board of elections' determination that your voted absentee ballot was not returned and you are an eligible voter.
