REPORTING FORMS

We have enclosed forms for your report to the Secretary of State's office of the candidates for District Delegate and Alternates (including the name of the Presidential candidate who is the First Choice of the Delegate or Alternate), Representative to Congress, State Senator, State Representative, State Central Committee, Court of Appeals, and county offices who filed with your office by 4 p.m. on January 4 and were certified to the March primary ballot by your board. Please forward the completed forms to the Secretary of State's office **no later than January 31** to the attention of Kathy Malott via:

Email: kmalott@sos.state.oh.us, or

Fax: 614-752-4360, or

U.S. Mail: Secretary of State's Office – Elections Division

Attn: Kathy Malott

P.O. Box 2828, Columbus, OH 43216.

District office candidates - Only the most populous county for a district must report the candidates. If your county is not the most populous county in a district, please *do not* return a report for that district's candidates.

Should any candidate be disqualified, withdraw or die, please notify the Secretary of State's office in writing immediately. You may email the notification to Traci Washington at twashing@sos.state.oh.us or fax it to her at 614-752-4360.

As the information you are providing will be used in published lists and for the Secretary of State Election Night Reporting System, it is critically important that all names are spelled correctly and party affiliation and addresses are accurate. If applicable, please include the date a term commences for full terms and the date a term expires for unexpired terms. As soon we compile all the candidate information, we will send a copy of the candidate list to all boards of elections for verification of your county's candidate information.

If you have any questions regarding these forms, please call Traci Washington or Kathy Malott in the Elections Division at 614-466-2585.

Sincerely,

Jennifer Brunner
