Re: Instructions Regarding the Review, Examination, and Verification of the Part-Petitions
Proposing an Initiated Statute (Drug Price Relief Act) Filed Pursuant to *Ohio*
Manufacturers' Association v. Ohioans for Drug Price Relief Act, Slip Opinion 2016-
Ohio-5377

SUMMARY

On August 15, 2016, the Ohio Supreme Court issued a decision in *Ohio Manufacturers' Association v. Ohioans for Drug Price Relief Act*, Slip Opinion 2016-Ohio-5377. In its opinion, the Court found that some signatures submitted in support of the Ohio Drug Price Relief Act were invalid, leaving petitioners without the required number of valid signatures. The Court required petitioners to "submit a sufficient number of valid signatures to the secretary of state" by August 25, 2016 to cure the signature deficiency.¹

Ohioans for Drug Price Relief Act filed part-petitions pursuant to that decision with the Secretary of State's office on Thursday, August 25, 2016.

Each board of elections must complete its review, examination, and verification of the part-petitions consistent with the instructions regarding the number of signatures reported in the circulator's statement contained in this Directive and the "Instructions for the Examination and Verification of the Petition" contained in [Directive 2016-25](#) and return its certification to the Secretary of State's Office no later than 11:00 a.m. on Friday, September 2, 2016.

CHECKING SIGNATURES ON THE PETITIONS

Please carefully read this Directive, the instructions regarding the number of signatures reported in the circulator's statement (below), and the "Instructions for the Examination and Verification of the Petition" provided in [Directive 2016-25](#) before you examine the part-petitions sent to your county.²

As the instructions state, each county board of elections must process all new, valid voter registrations and changes of names and/or address to existing registrations received by the board or the Secretary of State's Office as of the date the petition was filed with the Secretary of State

¹ "Pursuant to Article II, Section 1g of the Ohio Constitution, the committee has until Thursday, August 25, 2016 (ten days from the date of this order), to submit a sufficient number of valid signatures to the secretary of state. If the secretary of state certifies enough valid signatures, then he shall resubmit the initiative to the General Assembly, in accordance with the terms of Ohio Constitution, Article II, Section 1b." *Ohio Manufacturers' Association v. Ohioans for Drug Price Relief Act*, Slip Opinion 2016-Ohio-5377, at ¶47.

² R.C. 3501.11(K).

(i.e., Thursday, August 25, 2016) before verifying the signatures on the part-petitions.³ These registrations are effective as of the date filed with the Secretary of State.⁴

A. Circulator's Statement

Prior to verifying the validity of individual signatures contained on a part-petition, the board of elections must verify the validity of that part-petition. First, the board must check each part-petition to determine whether the circulator's statement on the last page of the part-petition has been properly completed. The entire part-petition is invalid if the circulator's statement is not completed as required by law.

Signature undercounting: If the number of signatures reported in the circulator's statement is less than the total number of *uncrossed-out signatures* submitted on the part-petition (e.g., the circulator's statement indicates 20 signatures witnessed, but there are 22 signatures on the part-petition, *none of which were crossed out* prior to the petition being filed), then the board must reject the entire part-petition.⁵

Note: In determining whether the number of signatures reported by a circulator of a non-statewide candidate's part-petition matches the number of signatures on that part-petition, particularly with regard to crossed-out signatures, board of elections should take care so as to not make a determination that is "too technical, unreasonable, and arbitrary" given the unique fact set of that petition and information available to the board, if any.⁶

Signature over-counting: If the number of signatures reported in the circulator's statement is greater than the total number of *uncrossed-out signatures* on the part-petition (e.g., the circulator's statement indicates that the circulator witnessed 28 signatures, but there are only 5 signatures on the part-petition), then the board must reject the entire part-petition when the over-reporting of signatures on the circulator's statement appears "systemic" and numerous on part-petitions filed by one or more circulators within the county, or across several counties, for the same petition,⁷ unless the exception below applies.

Exception: The over-reporting error is the result of "minor or negligent miscounts"⁸ by the circulator "so long as there is no indication of fraud or material misrepresentation"⁹ or does not promote fraud.¹⁰ In this circumstance, the board must review the validity of each signature as usual.

B. Verifying Part-Petition is a Unique Part-Petition

The board must visually inspect each part-petition to ensure that it is the unique petition provided to petitioners for the purpose of collecting signatures. The petition is unique in the following ways:

1. On each page where an elector may sign the petition, the line number has been italicized and bolded, and the word “signature” has been italicized, bolded, and changed from mixed case to all capital letters in every signature block.
2. An hourglass symbol appears in the top, right corner of every page of the petition—the summary pages, each page on which an elector may sign the petition, each page containing the full text of the proposed amendment, and the page bearing the circulator’s statement.

If a part-petition is not the unique petition provided to petitioners, the signatures contained on that part-petition are invalid.¹¹

Only signatures that were signed and collected during the ten days beginning August 15, 2016 and ending August 25, 2016 may be submitted.¹²

Finally, no elector may sign a statewide issue petition more than once. A board must determine whether any elector who signed the original petition also has signed a part-petition as part of this filing. A board must invalidate any signature on a part-petition if it also appeared on the original petition filing on December 22, 2015.¹³

PART-PETITION BELONGS TO ANOTHER COUNTY

If you receive a part-petition that belongs to another county, please follow the process outlined below. **It is imperative that a copy of a part-petition belonging to another county is transmitted to the other county as quickly as possible for signature verification.**

In the event that a board receives a part-petition on which the majority of signatures on the part-petitions are in another county, that board of elections may not determine the validity of that part-petition or review the signatures contained on it. Instead, it must forward the original part-petition to the other county following the steps below and utilize the two spreadsheets provided and return them in the envelopes provided when all part-petitions are returned to the Secretary of State’s Office:

1. Part-Petitions Sent Spreadsheet (Original Part-Petition(s)), and
2. Part-Petitions Received Spreadsheet (Emailed or Faxed Part-Petition(s)).

¹² R.C. 3519.16.

¹³ R.C. 3519.16.

If a board of elections receives a part-petition(s) for another county, it should follow the steps below to send a copy of it to the correct county:

1. Contact the Director or Deputy Director at the other county board by phone to notify him or her that your board will be forwarding a copy of a part-petition(s) and determine if it should be emailed or faxed.
2. Log the transfer of the part-petition(s) being sent on the "Part-Petitions Sent" spreadsheet.
3. Send the copy of the part-petition(s) via either email or fax as agreed to.
4. Return the original part-petition(s) with the "Part-Petitions Sent" spreadsheet in the envelope provided and marked as such. When the board returns its checked part-petitions to the Secretary of State's Office, place this envelope on top of the checked part-petitions so it can be easily located and retrieved from the box.

If a board receives a part-petition from another county:

1. Log the part-petition(s) that the board received on the "Part-Petitions Received" spreadsheet.
2. Process the part-petition(s).
3. Return the emailed or faxed part-petition(s) with the "Part-Petitions Received" spreadsheet in the envelope provided and marked as such. When the board returns its checked part-petitions to the Secretary of State's Office, place this envelope on top of the checked part-petitions so it can be easily located and retrieved from the box.

Note: Even if a board does not send a part-petition(s) to another county and/or does not receive a copy of a part-petition from another county, the board must mark the box (X) in the bottom right hand corner of the spreadsheet and place it in the correct envelope. When the board returns its checked part-petitions to the Secretary of State's Office, place both envelopes on top of the checked part-petitions so they can be easily located and retrieved from the box.

SCANNING THE PETITIONS

After you have completed checking the signatures on the part-petitions, **you must electronically scan the relevant pages of each part-petition** (including at least the cover page, the pages containing signatures, and the page containing the circulator statement). A copy of the scanned images should be saved onto one or as many CDs, DVDs, thumb-drives, or other similar electronic media as may be necessary and a copy sent to the Secretary of State's Office along with the part petitions and certification form. You must keep an electronic copy of the images for your records.

FULFILLING PUBLIC RECORDS REQUESTS

Your board of elections may receive one or more public records requests for copies of the part-petitions. Boards should consult with their statutory legal counsel, the prosecuting attorney, before rejecting, fulfilling, or responding to any public records request.

CERTIFICATION AND RETURN OF THE PETITIONS

As soon as you finish verifying the signatures on your county's part-petitions, you must return a completed certification form. The certification form must be completed and submitted electronically via Elect Collect by clicking the "Submit" button. The certification form also must be saved and printed. The Director must sign the certification form and return the signed certification forms to Emily Bright via email to ebright@ohiosecretaryofstate.gov.

All certification forms must be received by 11:00 a.m. on Friday, September 2, 2016.

Additionally, once the certification form has been submitted and a signed copy sent to Emily Bright, county boards of elections must promptly return the original part-petitions to the Secretary of State's Office, Elections Division, 180 East Broad Street, 15th Floor, Columbus, Ohio 43215, via trackable delivery method not later than Tuesday, September 6, 2016.

All part-petitions must be received by the Secretary of State's Office no later than Tuesday, September 6, 2016.

If you have any questions regarding this Directive, please contact the Secretary of State's elections counsel assigned to your county at (614) 466-2585.

Sincerely,

Jon Husted
