Ohio Congressional Districts

A DESCRIPTION OF OHIO’S CONGRESSIONAL DISTRICT PLAN
AS ADOPTED BY THE OHIO REDISTRICTING COMMISSION ON OCTOBER 31, 2025

According to the 2020 U.S. Census, the population of Ohio was 11,799,448. Pursuant to Section 2 (A)(3) of Article XIX of the Ohio Constitution, all geographic references in this document (including counties, municipal corporations, townships, etc.) are to Ohio’s geography as it existed on the date of the 2020 census. Political subdivisions, unless otherwise denoted as counties or townships, constitute municipal corporations.

Any geographic area of the state not specifically named or identified in this legal description that is wholly contained within the boundaries of a district and not contiguous to any district boundary, is assigned to that district. All districts are contiguous including those that are contiguous only by bodies of water.

For any geographic discrepancies, please consult the official Block Assignment File (BAF) adopted unanimously by the Ohio Redistricting Commission on October 31, 2025.
