Form 11-R Prescribed by Secretary of State (02/2026)

Absentee Ballot Request Rejection for Provisional Voter

R.C. 3503.19(C)(1)-(2), 3503.151(E), 3503.201(A)(1), (B), (D)(1)-(2), 3505.181(A)(4)

_____, **your application for an absentee ballot has been rejected, because, for the reason(s) indicated below, you have been marked in the pollbook as needing to cast a provisional ballot in the next election at which you appear to vote. Follow the instructions below to resolve the issue that is requiring you to vote by provisional ballot. If you are a voter that is confined or disabled, please contact the** _____ **Board of Elections and they will provide you with Form 11-I to request a provisional ballot.**

☐ **A. The date of birth you provided on your voter registration card could not be verified.**

- You previously received a Voter Information Confirmation Notice because your date of birth was the subject of a mismatch between Ohio's voter registration database and the databases of the Bureau of Motor Vehicles and/or the Social Security Administration.
- You may provide your date of birth when casting the provisional ballot during early in-person voting at the board of elections, on Election Day at your precinct, or within four days after Election Day at the board of elections.

☐ **B. The driver license or state ID number you provided on your voter registration card could not be verified.**

- You previously received a Voter Information Confirmation Notice because your driver license or state ID number was the subject of a mismatch between Ohio's voter registration database and the databases of the Bureau of Motor Vehicles and/or the Social Security Administration.
- You may provide your driver license or state ID number when casting the provisional ballot during early in-person voting at the board of elections, on Election Day at your precinct, or within four days after Election Day at the board of elections.

☐ **C. The last four digits of the Social Security number you provided on your voter registration card could not be verified.**

- You previously received a Voter Information Confirmation Notice because the last four digits of your Social Security number were the subject of a mismatch between Ohio's voter registration database and the databases of the Bureau of Motor Vehicles and/or the Social Security Administration.
- You may provide the last four digits of your Social Security number when casting the provisional ballot during early in-person voting at the board of elections, on Election Day at your precinct, or within four days after Election Day at the board of elections.

☐ **D. The residence address you provided on your voter registration card could not be verified.**

- You previously received a Confirmation Notice because the Board of Elections was unable to verify your residence address after the notice acknowledging your voter registration was returned undeliverable by the United States Postal Service.
- You may provide your residence address when casting the provisional ballot during early in-person voting at the board of elections, on Election Day at your precinct, or within four days after Election Day at the board of elections.
