Statement of Excess Aggregate Contributions Received During the Election Period - **Form 31-Y**

This form is used ONLY by the campaign committees of statewide—other than Supreme Court—and General Assembly candidates who receive excess aggregate contributions during the pre-filing period. The pre-filing period begins on the same day as the candidate's primary election period and ends on the day that the candidacy petitions are due for the state office for which the candidate has filed. R.C. 3517.109(A)(9).

The full name and street address of any contributor who gave aggregate contributions during the pre-filing period in excess of the contributions limits in R.C. 3517.102 should be entered in the Full Name of Contributor and Address blocks. The name of contributors who gave multiple contributions during the pre-filing period must be entered only once. The total of all contributions from a single contributor during the pre-filing period is entered in the Aggregate Contribution block.

Example:

Mary Miller	Aggregate Contributions:	$14,000.00
123 Main Street	Excess Aggregate Contributions:	$ 707.65
Columbus, Ohio 43215		

Enter the portion of the aggregate contribution that exceeds the contribution limit in the Excess Aggregate Contribution box.
