TO: All County Boards Of Elections

RE: Updated Signatures

R.C. 3501.05 (AA) requires the secretary of state to establish a procedure to allow a registered elector to make available to a county board of elections a more recent signature to be used in the poll list or signature poll book in the elector's polling place.

To establish a uniform method for an elector to update his or her signature at a county board of elections, the secretary of state has prescribed a new form – SoS Form #260. This form will provide each board with a written record of the request. It will also provide a signature box for ease of scanning the updated signature. The form is included with this Directive and is available on the Extranet at: <http://server6.sos.state.oh.us/boe/electionsinfo/forms/forms.htm>.

If you have any questions concerning this Advisory, please contact Patricia Wolfe, Elections Administrator, or Jacqueline Rothschuh, Assistant Elections Administrator, at 614-466-2585 or via email.

Sincerely,

Jennifer Brunner
