Re: Instructions Regarding the Review, Examination, and Verification of Petition
   Proposing Amendments to the Ohio Constitution

SUMMARY

PETITION SUBMITTED

The Secretary of State’s Office received petitions to place amendments to the Ohio Constitution on the ballot at the November 6, 2018 General Election on Wednesday, July 4, 2018. Boards of elections must examine each part-petition to determine the number of qualified electors who signed.

CHECKING SIGNATURES ON THE PETITIONS

As the instructions state, each county board of elections must process all new, valid voter registrations and changes of names and/or address to existing registrations received by the board or the Secretary of State’s Office as of the date the petition was filed with the Secretary of State (i.e., Wednesday, July 4, 2018) before verifying the signatures on the part-petitions.\(^2\) These registrations are effective as of the date filed with the Secretary of State.\(^3\)

PART-PETITION BELONGS TO ANOTHER COUNTY

If you receive a part-petition that belongs to another county, please follow the process outlined below. **It is imperative that a copy of a part-petition belonging to another county is transmitted to the other county as quickly as possible for signature verification.**

In the event that a board receives a part-petition on which the majority of signatures on the part-petitions are in another county, that board of elections may not determine the validity of that part-petition or review the signatures contained on it. Instead, the board must follow the steps below to send a copy of the part-petition to the correct county:

1. Contact the Director or Deputy Director at the other county board by phone to notify him or her that your board will be forwarding a scanned copy of a part-petition(s) via email to the email address provided.
2. Complete Section A of the Part-Petition Transfer Form and select the Compose Email button.
3. Attach to the email the scanned copy of the part-petition(s) to be transferred and send the email.
4. The email will be sent to the email address provided by the county which was contacted and will also be automatically cc’d to staff within the Elections Division. The email will contain two attachments: the Part-Petition Transfer Form and the scanned part-petition(s).
5. After emailing the form and the scanned petitions, print the completed Part-Petition Transfer Form, attach to the original part-petitions and place in the Part-Petition Transfer Envelope provided for the particular part-petition.

Once a board receives a part-petition from another county, it must:

1. Open the Part-Petition Transfer Form attached to the email and complete Section B.
2. Print the form.
3. Process the part-petition(s).
4. Attach the Part-Petition Transfer Form to the scanned part-petition(s) and place in the Part-Petition Transfer Envelope provided.

When the board returns its checked part-petition(s) to the Secretary of State’s Office, place the Part-Petition Transfer Envelope on top of the container used for shipping.

SCANNING THE PETITIONS

After you have completed checking the signatures on the part-petitions, **you must electronically scan the relevant pages of each part-petition** (including at least the cover page, the pages containing signatures, and the page containing the circulator statement). A copy of the scanned images should be saved onto one or as many CDs, DVDs, thumb-drives, or other similar electronic media as may be necessary and a copy sent to the Secretary of State’s Office along with the part-petitions and certification form. You must keep an electronic copy of the images for your records.
FULFILLING PUBLIC RECORDS REQUESTS

Your board of elections may receive one or more public records requests for copies of the part-petitions. Boards should consult with their statutory legal counsel, the prosecuting attorney, before rejecting, fulfilling, or responding to any public records request.

CERTIFICATION AND RETURN OF THE PETITIONS

As soon as you finish verifying the signatures on your county’s part-petitions, you must return a completed certification form. The board must indicate on the form if any part-petitions were received from or sent to another county.

The certification form must be completed and submitted electronically via Elect Collect by clicking the “Submit” button. The certification form also must be saved and printed. The Director must sign the certification form and return the signed certification form to Emily Bright via email to ebright@ohiosecretaryofstate.gov.

All certification forms must be received by NOON on Thursday, July 19, 2018.

Additionally, once the certification form has been submitted and a signed copy sent to Emily Bright, county boards of elections must promptly return the original part-petitions to the Secretary of State’s Office, Elections Division, 180 East Broad Street, 15th Floor, Columbus, Ohio 43215, via trackable delivery method not later than Monday, July 23, 2018.

All part-petitions must be received by the Secretary of State’s Office no later than Monday, July 23, 2018.

If you have any questions regarding this Directive, please contact the Secretary of State’s elections counsel assigned to your county at (614) 466-2585.

Sincerely,

Jon Husted
