Re: Unofficial Canvass of the November 6, 2018 General Election

SUMMARY

This Directive outlines the procedures that boards of elections must follow when conducting the Unofficial Canvass of the November 6, 2018 General Election.

To assist boards of elections with any problems, questions, or concerns that may arise on Election Day, the Secretary of State’s Office will be staffed on Election Day from 6:30 a.m. until all boards have reported their unofficial results to our office. As in the past, boards can contact the Secretary of State’s Office using a dedicated telephone number that will be emailed prior to November 6, 2018 or the main telephone number for the Elections Division of (614) 466-2585.

All Directors, Deputy Directors, and Board Members must ensure that they are able to receive emails and other communications sent from the Secretary of State’s Office on Election Day (including after the polls close).

I. PERIODIC REPORTING REQUIREMENTS FOR ELECTION NIGHT

State law requires that all boards of elections provide regular periodic election results for specified contests to the Secretary of State’s Office. All counties must use the Secretary of State’s County Submission System (CSS) to provide summary results on the statewide issue and all candidates for contests that appear on the county’s ballot to fulfill this statutory requirement.

Although all counties will have access to hand-key the results at the time frames below, the upload feature must be the primary method of submitting results, allowing the board to more efficiently and accurately transmit results. Each board was provided with a shipment of USB flash drives for use during mock elections and on election night to ensure the security of your election management system (EMS).

Note: Each county board of elections must use its SOS computer workstation to upload results into the CSS.

As in the past, unofficial election results provided to the Secretary of State’s Office will be summary only, rather than precinct-level. Precinct-level results will be uploaded for the official canvass.

A. Reporting Absentee Ballot Results

Each board must log in to the CSS at 7:30 p.m. and upload vote totals for absentee ballots by 7:45 p.m. unless the voting system is technologically unable to do so. If necessary, partial absentee results may be uploaded by the county (e.g., for GEMS users who were unable to scan all absentee ballots prior to starting the central tabulation of precinct cards). If you upload partial absentee results at 7:45 p.m., you must ensure that you do not double report the initial upload. Contact your voting system vendor if you need assistance.

You must enter zero (0) precincts reporting since the results do not include any results from Election Day precincts.

Remember, you may begin “processing,” which includes “scanning,” absentee ballots beginning 19 days before the election. You may not, however, “tabulate” any absentee ballot prior to 7:30 p.m. on Election Day.5

5 See Chapter 5, Section 1.06, of the Election Official Manual for additional guidance on processing absentee ballots prior to Election Day.
B. Maximum Time Between Reports

Once the first Election Day precinct has reported, you must begin uploading summary election results. Do not wait until you have some arbitrary, minimum number of precincts to report together. After you have uploaded your first summary election results, you must report on the following time-increment assigned to your county:

“Quarter-Hour” Counties

“Quarter-hour” counties must report at each quarter hour (e.g., 7:45 p.m., 8:00 p.m., 8:15 p.m., 8:30 p.m., 8:45 p.m., etc.), beginning with the quarter hour that follows the upload of the board’s first summary election results, and continuing until all precincts have reported.

If, as you approach full reporting, one or more precincts have not reported, and it has been more than 30 minutes since your last report, you must notify Valerie Bunting. Once you have 100% precincts reporting, do not delay entering final vote tallies into the Election Night Reporting System (ENR). You do not have to wait until your designated reporting time (noted above) when reporting final results.

“Half-Hour” Counties

“Half-Hour” counties (assigned to Kathy Malott) are: Ashtabula, Athens, Columbiana, Erie, Geauga, Hancock, Jefferson, Knox, Lawrence, Marion, Miami, Muskingum, Richland, Ross, Sandusky, Scioto, Tuscarawas, Washington, and Wayne.

“Half-hour” counties must report at each half-hour (e.g., 8:00 p.m., 8:30 p.m., 9:00 p.m., etc.), beginning at 8:00 p.m., the first half-hour that follows the upload of the board’s absentee summary election results at 7:45 p.m., then on every half hour after and continuing until all precincts have reported.

If, as you approach full reporting, one or more precincts have not reported, and it has been more than 60 minutes since your last report, you must notify Kathy Malott. Once you have 100% precincts reporting, do not delay entering final vote tallies into the ENR system. You do not have to wait until your designated reporting time (noted above) when reporting final results.
“Hourly” Counties

“Top-of-the-hour” counties (e.g., 8:00 p.m., 9:00 p.m., etc.) (assigned to Pat Currie) are: Ashland, Auglaize, Belmont, Brown, Champaign, Clinton, Crawford, Darke, Defiance, Fulton, Guernsey, Highland, Huron, Logan, Mercer, Morrow, Ottawa, Pickaway, Preble, Seneca, Shelby, Union, and Williams.

“Bottom-of-the-hour” counties (e.g., 8:00 p.m., 8:30 p.m., 9:30 p.m., etc.) (assigned to Robin Fields) are: Adams, Carroll, Coshocton, Fayette, Gallia, Hardin, Harrison, Henry, Hocking, Holmes, Jackson, Madison, Meigs, Monroe, Morgan, Noble, Paulding, Perry, Pike, Putnam, Van Wert, Vinton, and Wyandot.

Note: “Bottom-of-the-hour” counties will report once at the “Top-of-the-hour” at 8:00 p.m. and then at the bottom hour as noted above

“Hourly” counties must report summary election results at the top or bottom of every hour, continuing until all precincts have reported. If you report more frequently, you must still report on the hour.

If, as you approach full reporting, one or more precincts have not reported, and it has been more than 60 minutes since your last report, you must notify the assigned Secretary of State contact noted above. Once you have 100% precincts reporting, do not delay entering final vote tallies into the ENR system. You do not have to wait until your designated reporting time (noted above) when reporting final results.

Contact information for Secretary of State Personnel will be provided under separate cover prior to Election Day.

C. Supplemental Statistics

You must provide “supplemental statistics” when you report your last precinct or shortly thereafter. Do not delay reporting vote totals only because the supplemental statistics are not yet available; upload the election results, then return when the supplemental statistics are complete.

The supplemental statistics you are required to report are:

- Counted Ballots
  - Total number of regular ballots counted from Election Day precincts (include ballots cast on paper, when applicable, and DREs, when applicable, but do not include absentee).
  - Total number of non-UOCAVA absentee ballots counted.
  - Total number of UOCAVA absentee ballots counted.
  - Total number of absentee ballots counted.
  - Total regular and absentee ballots counted.
• Outstanding Ballots (ballots issued but not yet counted)
  ▪ Total number of outstanding non-UOCAVA absentee ballots issued by the board, but not returned.
  ▪ Total number of outstanding UOCAVA absentee ballots issued by the board, but not returned.
  ▪ Total number of outstanding absentee ballots (issued by BOE but not returned by close of polls).
  ▪ Total number of provisional ballots issued on Election Day.
  ▪ Total number of provisional ballots issued before Election Day, but after close of registration at the board office.
  ▪ Total number of provisional ballots issued at the polls or the board office.

II. SUMMARY AND FINAL REPORTS

Boards of elections must follow the processes and procedures outlined in Chapter 8, Section 1.02, of the Election Official Manual for reporting summary results and submitting final summary reports in even-numbered year elections.

The required reports and forms (listed below) for the Unofficial Canvass and the instructions and deadline for submission will be provided to boards of elections under separate cover via email before Election Day:

1. Unofficial Vote Total Summary Report;
2. Write-In Report;
3. Most Populous Report(s) (when applicable); and
4. Signature Form.

In addition to the Unofficial Vote Total Summary Report submitted via email on Election Night, each board must print the Current County Results from the CSS, proof to the Unofficial Vote Total Summary Report, and provide along with said report via email. Instructions outlining this requirement will be provided under separate cover.

All final summary reports must be transmitted to the Elections Division via email to Allison Scott using an email address that will be provided under separate cover.

On election night, once the board’s Unofficial Vote Total Summary Report and the Current County Results printed from the CSS have been received, reviewed, and compared, the Director will be contacted by its assigned Elections Staff.

The Director must not leave the office until contacted via phone by the assigned Secretary of State Elections Staff who will confirm that the board’s report has been received and reviewed to ensure the results match.
If you have any questions regarding this Directive, please contact the Secretary of State’s elections counsel assigned to your county at (614) 466-2585.

Sincerely,

Jon Husted
