## New Ohio Driver's Licenses, State Identification Cards, and Ohio Interim Documentation

On July 2, 2018, the Ohio Bureau of Motor Vehicles issued a new format of Ohio's driver's licenses and state identification cards (state ID) – see new licenses and identification cards starting on page 3.

Licenses and identification cards will no longer be produced at the Deputy Registrar offices statewide. A temporary identification document (Ohio Interim Documentation, example shown below) will be provided to an individual at a Deputy Registrar location, and the new driver's license or state ID will be mailed to an individual about 10 days later.

## Military Identification Cards

There are several types of military IDs issued by the U.S. Department of Defense that are acceptable for voting in Ohio:

- Common Access Card ("CAC");
- Uniformed Services ID Card;
- DD Form 2;
- DD Form 1173;
- DD Form 1173-1;
- DD Form 2765; and
- DoD Civilian Retiree Card.

---

*Please Note: Valid military identification cards or copies of such cards must be accepted whether or not they contain a name or address (R.C. 3505.18). However, this form of ID must still allow a precinct election official to determine that it is the military ID card of the person who is presenting it for the purpose of voting.*
