

## WHAT THEY ARE SAYING ABOUT VOTER VERIFICATION AND REGISTRATION (VVR)

*"The inaccuracies of Ohio's voter rolls have been a source of contention for too long. The bill introduced today is a first step toward cleaning up the state's voter files and modernizing our voter registration system to be more accurate and verifiable. I look forward to continuing this conversation with members of the General Assembly, stakeholders and advocates."*

- **Senator Vernon Sykes (D-Akron)**

*"This legislation will establish a necessary update to voter registration in Ohio by modernizing the current system. This will improve the accuracy and security of the voter rolls, while also making the registration process much more efficient. I look forward to working with my colleagues in the Senate and Secretary LaRose on this important issue in the weeks to come."*

- **Senator Nathan Manning (R-North Ridgeville)**

*"The Ohio Conference of the NAACP supports an automated process for voter registration. This bill is a step in the right direction. At our state convention next month, the Conference and our Units will launch a statewide campaign to educate our communities about the value of having this law in Ohio."*

- **Tom Roberts, President of the Ohio NAACP**

*"Our current system of voter registration hasn't been substantially updated for decades. We have the technology to do better, so let's use it. I applaud the leadership of Secretary LaRose in working with the General Assembly to develop proposed legislation that will help enhance the accuracy of our voter rolls while doing more to prevent voter fraud."*

- **Robert Frost, Republican Member of the Cuyahoga County Board of Elections**

*"We need to stop using the accuracy of voter rolls as a political talking point and fix it. Secretary LaRose's idea for a Voter Verification and Registration system is going to go a long way toward improving voter confidence while making it easier for the boards of elections to do their job."*

- **Tina LaRoche, Republican Deputy Director of the Union County Board of Elections**
