

Greetings!

Because of you and thousands of other poll workers, our state held ANOTHER secure, accessible, and accurate election yesterday! We've received reports from all over Ohio from voters who had positive experiences at their voting locations, and that's thanks to your guidance, professionalism, and assistance.

If you volunteered to be a poll worker but didn't get selected by your board of elections to serve, thank you for your patriotic dedication and willingness to step up. This November is going to be a big election and the demand for poll workers is going to high, so please stay engaged and consider serving as a poll worker in the General Election.

So here is the big ask! Will you please sign up RIGHT NOW to serve again in November? Our [sign up website](#) is open, so please take a minute and submit your name today, then mark your calendar for November 8th.

On behalf of all Ohio voters, thank you, and we hope to see you again in November!

Yours in service,
